Companies that choose BARR to help them **build trust** accelerate their innovation and business growth.

HERE'S HOW.

Achieving HITRUST e1 certification through BARR helped ThreeFlow boost customer trust and expand into the new markets.

Through BARR's coordinated audit approach, ECS achieved ISO 27001, SOC 1, SOC 2, and HITRUST compliance, giving them a competitive advantage and cementing their position as a market leader.

Armed with a SOC 2 from BARR, RFP360 saw a 90% drop in security requests.

Kinsta's SOC 2 report and ISO certifications issued by BARR have reduced customer churn and empowered the firm to expand globally.

After achieving HITRUST certification with BARR, RxSense was named a top digital transformation solution provider by Healthcare Business Review.

By partnering with BARR to achieve SOC 2 and ISO 27001 compliance, JourneyTrack has reduced sales cycle friction and increased customer trust.

BUILD TRUST, GROW YOUR BUSINESS WITH BARR

BARR empowers cloud-based platforms like Ceros to **close more deals, increase annual recurring revenue, and shorten their sales cycles.**

“BARR knows security best practices, which was really helpful going through the audit process. Being able to look at issues through the **eyes of an auditor** and having the ability to make impactful adjustments to meet controls is something we needed.”

–Ceros

”

The BARR audit team excelled in maintaining clear and effective communication throughout the entire process. From the initial planning stages to the final review, the team ensured that all stakeholders were aligned, expectations were clearly set, and any potential issues were promptly addressed.

SOC 2 & ISO 27001 Compliance

”

They are always kind and professional, and they never make the team feel any less for not understanding the requirements. They are helpful with recommendations and finding solutions that work for both our company and our employees.

SOC 1, SOC 2, ISO 27001, ISO 27017, HITRUST, and PCI DSS Compliance

”

The BARR team was genuinely invested in our success. They took the time to understand our unique organizational context and tailored their approach to meet our specific needs. Their proactive engagement and readiness to provide tailored advice and support made a significant difference in our experience. We truly felt like valued partners throughout the entire process.

SOC 2 Compliance

We were particularly impressed by the audit team's ability to communicate complex technical concepts in a clear and concise manner. They kept us informed throughout the process and readily answered any questions we had. We always felt like true partners in the audit, not simply subjects of an evaluation.

CLIENT TESTIMONIALS

Every audit these last few years has been **high quality, efficient, and easy to understand** where we have potential gaps or need improvement.

They provided **clear, actionable insights** that significantly enhanced our security posture. Their thorough assessments and personalized approach to addressing our specific needs set them apart.

We keep choosing BARR because they are **very valuable partners** that help improving our control environment vs. merely noting gaps.
